### VICTORIA CITY BY-LAWS.

No. 246.

#### A BY-LAW

*To authorize the Sale of Lands within the City of Victoria upon which Taxes have been due and in arrears for two years.*

**W**HEREAS it is expedient that all lands or improvements or real property within the limits of the Corporation of the City of Victoria, upon which municipal taxes have been due and in arrear for two years, shall be sold, and the proceeds applied in the reduction of such taxes:

Be it therefore enacted by the Municipal Council of the Corporation of the City of Victoria, as follows:—

1. The Collector of the Municipal Council of the Corporation of the City of Victoria is hereby authorized and directed, whensoever taxes on any land or improvements or real property have been due for two years preceding the current year, to submit to the Mayor of the City of Victoria a list, in duplicate, of all the lands or improvements or real property liable, under the provisions of this By-law, to be sold for taxes, with the amount of arrears against each lot set opposite to the same, and the Mayor shall authenticate such list by affixing thereto the seal of the Corporation and his signature, and one of such lists shall be deposited with the Clerk of the Corporation, and the other shall be returned to the Collector with a warrant thereto annexed under the hand of the Mayor and the seal of the Corporation, commanding him to levy upon the land or improvements or real property for the arrears due thereon, with his costs.

2. It shall not be the duty of the Collector to make inquiry before effecting a sale of lands or improvements.

3. The Collector shall prepare a copy of the list of lands or improvements or real property to be sold, and shall include therein, in a separate column, a statement of the proportion of costs chargeable on each lot for advertising and for the commissions authorized by this By-law to be paid to him, and shall cause a copy of such list to be printed, for a period of one month preceding the date of such intended sale, in some newspaper published in the City of Victoria.

4. The advertisement shall contain a notification that unless the arrears and costs are sooner paid he will proceed to sell the lands or improvements or real property for the taxes on a day, a time, and at a place named in the advertisement.

5. The Collector shall, at least two months before the time of sale, also deliver to or deposit in the post office to the address of the owner of such property which is to be sold for taxes as aforesaid, or to the agent of such owner, a notice in writing of the amount of taxes due, and that the property is to be sold for arrears so due; and in case the address of the owner or agent is unknown, a notice to the same effect shall be posted upon the land intended to be sold, and also, at least two months before the time of sale, post a notice similar to the above advertisement in some convenient and public places, that is to say, at the Council Chambers, Victoria, and in the Post Office Building, Victoria.

6. The day of sale shall be the thirty-third day after the first publication in a newspaper of such list, exclusive of the day of such publication, except in case the said thirty-third day shall fall on a Sunday or holiday, in which case such sale shall take place on

the following day, at the Council Chambers, in the City of Victoria, and shall begin at twelve o'clock noon.

7. If at any time appointed for the sale of the lands or improvements or real property, no bidders appear, the Collector may adjourn the sale from time to time.

8. If the taxes have not been previously collected, or if no one appears to pay the same at the time and place appointed for the sale, the Collector shall sell at public auction so much of the land or improvements or real property as may be sufficient to discharge the taxes and all lawful charges incurred in and about the sale and the collection of the taxes, selling in preference such part as he may consider best for the owner to sell first; and in offering such lands or improvements or real property for sale, it shall not be necessary to describe particularly the portion of the lot or section which shall be sold, but it will be sufficient to say that he will sell so much of the lot or section as shall be necessary to secure the payment of the taxes due, and the amount of taxes stated in the advertisement shall in all cases be *prima facie* evidence of the correct amount due.

9. If the Collector fails at such sale to sell such land or improvements or real property for the full amount of arrears of taxes due, he shall at such sale adjourn the same until a day be publicly named by him, not earlier than one week nor later than three months thereafter, of which adjourned sale he shall give notice by advertisement in the newspaper in which the original notice was advertised, and on such day he shall sell such lands or improvements or real property for any sum he can realize, and shall accept such sum as full payment for such arrears of taxes.

10. If the purchaser of any property or parcel of land fails immediately to pay the Collector the amount of the purchase money, the Collector shall forthwith again put up the property for sale.

11. Immediately after every sale the Collector shall return a list of the arrears satisfied by such sale to the Clerk of the Corporation, and shall at the same time pay in the proceeds to the Treasurer of the said Corporation.

12. The Collector shall be entitled to five per centum commission upon the sums collected by him as aforesaid.

13. This By-law may be cited for all purposes as "The Victoria Real Estate Tax Sale By-law, 1895."

DELTA DYKE AND DRAIN BY LAW OF THE MUNICIPALITY OF DELTA.

A By-Law to provide for the Draining and Dyking of a portion of the Municipality of Delta, to be known as the "Delta (1895) Dyking and Drainage Works," and for borrowing upon the strength of the said Municipality the sum of \$41,320.51 for completing the same.

[Provisionally adopted the 10th day of June, 1895.]

WHEREAS a majority in number and value of the owners, as shown by the last revised assessment roll of the property hereinafter set forth to be benefited by the construction of the drainage and dyking works hereinafter provided for, have petitioned the Council of the said municipality, under the "Municipal Act, 1892," to cause the examination to be made of the following lands to be benefited, namely:— Commencing at the high land on the Chewassen Indian Reserve; thence along the Gulf of Georgia to Canoe Pass; thence along Canoe Pass to Fraser River; thence along Fraser River to the high land opposite Annacis Island:

And whereas thereupon the said Council procured an examination to be made by Mr. A. R. Green, Civil Engineer, being a person competent for that purpose, of the said locality proposed to be drained and dyked, and has also procured plans and specifications and estimates of the work of construction to be made by the said A. R. R. Green in respect thereof and of the said drainage being as follows:—

"NEW WESTMINSTER, May 29th, 1895.

"I recommend that the maintenance of the dyke, ditch and boxes, gates, &c., be at the expense of the lands assessed for the works herein reported on, and the said lands paying in the same relative proportions as for the said works.

And whereas the Council is of opinion that the drainage and dyking of the said locality described is desirable:

And whereas on the 4th day of May, 1895, a by-law was passed and provisionally adopted by the said Municipal Council of the said Municipality of Delta to provide for the draining and dyking works contemplated by and provided for by this by-law, but before the same was finally passed certain errors and omissions were discovered therein, and it is desirable therefore to repeal the same and enact this by-law in lieu thereof:

Be it therefore enacted by the said Municipal Council of the said Municipality of Delta, pursuant to the provisions of the "Municipal Act, 1892," and amendments thereto:—

1. That the said recited by-law which was passed and provisionally adopted by the said Municipal Council on the 4th day of May, 1895, be and the same is hereby repealed.

2. That the said report, plans, and estimates above recited be adopted, and that the said dykes, flood-gates, dams, and ditches, and the works connected therewith, be made out and constructed in accordance therewith

3. That the Reeve of the said Municipality may borrow on the credit of the Corporation of the said Municipality the sum of \$41,320.51, being the funds necessary for the works, and may issue debentures of the Corporation to that amount, in sums not less than \$100 each, and payable within twenty years from the date thereof, with interest at the rate of five per centum per annum, that is to say, in twenty equal annual consecutive instalments, the first of which shall be due and payable at the expiration of one year from the date on which this by-law shall have been finally passed, all of such debentures to be payable at the Bank of Montreal, New Westminster, British Columbia, and to have attached to them coupons for the payment of interest.

4. For the purpose of paying the sum of \$41,320.51, being the amount charged against the said lands so to be benefited as aforesaid, and to cover interest thereon for the twenty years at the rate of five per centum per annum, the following special rate over and above all other rates shall be assessed and levied in the manner and at the same time as taxes are levied upon the undermentioned sections or lots, and parts of sections or lots; and the amount of the said special rates and interest assessed as aforesaid against each section or lot, or part of section or lot, respectively, shall be divided into twenty equal parts, and one such part shall be assessed and levied as aforesaid in each year for twenty years after the final passing of this by-law during which the said debentures have to run.
